July 12, 2016

SCOTIABANK MAKES \$42,000 DONATION TO PEBBLES HOSPITAL PEDIATRIC WARD

Scotiabank recently made a donation of over \$42,000 to the Peebles Hospital Pediatric Ward through funds raised at the Scotiabank 2nd Annual Walk/Run to benefit Peebles Hospital. Thanks to the generous support of the local community, corporate sponsorships and the Scotiabank Bright Future Programme hundreds of children will be provided with the care they need.

The Scotiabank Annual Walk/Run takes place each year in November. This year over 148 people registered for the event. Scotiabank is hoping for an even bigger turnout this November 2016 inviting the local community to participate and help exceed fundraising targets once again.

Sarah Hobbs, Managing Director, Scotiabank (British Virgin Islands) Limited said, “The Peebles Hospital has been a cornerstone for the BVI community ever since inception. Scotiabank’s efforts to continuously support and improve the facilities will help leave a meaningful legacy in the BVI community for years to come. The New Peebles hospital is a beacon of hope and pride for Virgin Islanders which truly embody Scotiabank’s brand promise of discovering what’s possible.”
