

Access cash without the wait.

Instant access to your ATM deposits is a feature of your ScotiaCard that allows you to get funds up to your pre-approved limit.

Deposit your cash or cheque at an ATM and based on your pre-approved limit you can get immediate access to your funds to use as you wish, for example:

- Make purchases
- Withdraw cash
- Pay bills
- Transfer funds on Scotia OnLine or Scotia Mobile

Other Benefits

The amount of cash you can instantly access from the deposit made to your account is added to any overdraft limit you may already have, allowing you more spending power instantly.

You can apply to increase or decrease your limits at any time by contacting your branch.

Talk to your branch about how to qualify for instant access to your deposit or to confirm the limit you can instantly access.

[†]Conditions apply.

- The portion of the deposit above your pre-approved limit is subject to a hold of up to 7 days.
